

# CERTIFIED INTERNAL AUDITOR<sup>®</sup> (CIA<sup>®</sup>) EXAM

“LIVE-ONLINE” TUITION PROGRAM

DECEMBER 2015

## INSTRUCTORS

PART I      MR MONOYIOS VASILIS

PART II     MR CHRISTODOULOU PANAGIOTIS

PART III    MR THEODOROS MILIDONIS

## COURSE OBJECTIVE

The Certified Internal Auditor® Program is designed to expand your internal audit knowledge, build confidence for addressing today's internal audit challenges and prepare you for the Certified Internal Auditor® (CIA®) exam.

Developed under the guidance of subject matter experts, this program will provide you with the tools necessary to successfully prepare for the CIA® exam in the time frame and learning format that best suits you.

## PARTICIPANT PROFILE

Earning the CIA® designation is an important accomplishment and professional advantage for internal auditors during all stages of their careers including:

- Chief audit executives
- Audit directors
- Audit managers and staff
- Risk management staff
- Business, finance, and accounting students

## THE EXAM

The CIA® exam is now available through computer-based testing, allowing you to test year-round at more than 500 locations worldwide.

Through the IIA's new online Certification Candidate Management System (CCMS), candidates may apply/register for certification programs/exams and access their records online.
